About MEDPOWER2022

MEDPOWER 2022 (Mediterranean Conference on power generation, transmission, distribution, and energy conversion) will take place in Malta during the second week of November, 7th to 9th, 2022.

The 13th International IET MEDPOWER2022 conference is organised by The Malta Group of Professional Engineering Institutions (MGPEI) under the patronage of The Institution of Engineering and Technology (IET) of the United Kingdom as the IET Malta Local Network through The Foundation for Innovation and Research - Malta (FiR.mt) with the contribution of the IET Greece and Cyprus Local networks.

MEDPOWER2022 will provide an opportunity for engineers, scientists, technicians, researchers, scholars, and companies to exchange ideas and discuss the latest research achievements in academia and industry. The conference also aims to provide a forum to create opportunities for networking and collaboration through a series of presentations, talks, exhibitions, and special sessions.

MEDPOWER2022 will cover all aspects of power system design, operation, and planning, including the integration of ICT and energy systems as well as addressing challenges in the future energy markets.

The conference aims to attract more than 200 participants from all over the world and give them the opportunity to present and publish their work, discuss, exchange ideas and knowledge as well as network for future collaborations.

The conference will be a great opportunity to introduce your organization / product to a vast number of European and International delegates. By being a sponsor to the conference, you will not only get recognition and visibility, but you will also be able to network with many influential scientists in the field.

ABOUT MALTA

*Bible Act 28: Once safely on shore,
we found out that the island was called
Malta. The islanders showed us
unusual kindness. They built a fire and
welcomed us all*

MALTA

is one of the world's smallest countries covering 316km²

Why settle for anything else, when you can have it all? By choosing Malta, you will be opening doors to endless convention possibilities. Delve into the myriad dimensions that the Islands have to offer, from the glorious natural beauty to its spellbinding history and create a truly unique platform for an event like no other. All these supported by good flight connections, a safe and friendly atmosphere and an excellent command of languages which greatly facilitates implementation.

10.
MALTA'S FAMOUS HOSPITALITY

30 mins
is roughly how long it takes to get to Gozo, Malta sister island by ferry

103
is the approximate number of films which have been shot in Malta to date

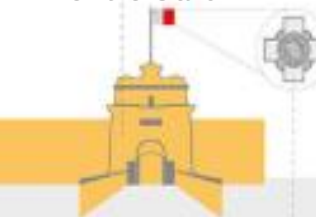

2 Million
tourists visit the Maltese islands each year. That's almost 4 times the local population of around 450,000

1566
is the year which marked the beginning of Valletta's construction. The city was the 1st planned

4,000 years
is approximately how long the ancient walled city of Mdina dates back. It is one of the highest strategic points on the island.

16
amazing megalithic temples are dotted around Malta and Gozo. These structures pre-date the pyramids of Egypt by around 1,000 years!

365
is the number of churches found all over Malta- one for every day of the year

1942
is the year when the George Cross, a prestigious honour for bravery, was awarded to Malta for its role in World War II.

3
is the number of fortified cities created by the Knights of St John. The Three Cities' is the collective name given to Cospicua, Vittoriosa and Senglea
